## How can we offer such great value?

Our trophies are such a competitive price because they are designed and sourced direct, meaning the cost savings generated by not using a middleman are passed onto you and the price you pay is **typically 40% less** than comparable quality RRP's advertised elsewhere.

We also hand pick the best selection of trophies sold by other retailers. As these are purchased in large volume, we are able to secure the best price offering great savings of **up to 38% on RRP**.
