Modern Warehouse & Office facilities - We carry huge stocks

All our kits and training wear are fully tested. We specify and monitor industry quality standards

## about us...

Founded 41 years ago, we are the largest mail order football kit supplier selling direct to amateur clubs in the UK and are the official supplier to the English Schools' FA. We have the experience and knowledge to know exactly what amateur football clubs require.

This is:

► **industry leading quality**

We specify industry leading standards to all our manufacturers, which are then fully tested by industry specialists. By designing & sourcing our own products then selling direct to all our customers we can keep a very tight control on quality. We are also proud to have been awarded ISO 9001 certification for quality management systems attributed to the design, customisation & supply of football kits, online Club Shops and **SignOnline** Player Registration & Sub Payment facility.

► **quick and simple ordering service**

Our website [www.footballkit.co.uk](http://www.footballkit.co.uk) sets the standard for ease of use and functionality. Alternatively phone our Sales Advisors on **01943 601938** who are fully trained to process order requirements quickly and efficiently. Big Clubs are also offered an Account Manager to ensure a simple ordering process.

► **fast delivery**

We always carry huge stocks ensuring that our normal lead time for a printed kit is only 2 working days from confirmation of artwork. Uncustomised items are also despatched the same day if ordered before 2pm. This is a fantastic service for top up kits required urgently.

► **exceptional value**

*"How are we able to offer such competitive prices with fully printed team kits from only £139?"*

All Pendle products are designed in house and sourced directly, the cost savings generated by not using a middleman are passed onto you, meaning that the price you pay is **typically 40%** less than comparable quality RRP's advertised by other retailers. This is then backed up by our **In House Printing Service**, which further gives us the means to offer a highly competitive price. We will even **short sleeve** shirts for FREE.

## CARING FOR YOUR KIT

Pendle kits are manufactured from top quality materials. All fabrics undergo stringent quality tests to ensure durability and washability. They will give many years of service if properly cared for.

- 1) To avoid dye transfer do not bundle together for any length of time, particularly important on first wash
- 2) Remove excess mud and wash as soon as possible, soak if necessary
- 3) Wash printed garments inside out
- 4) Use pre-wash on heavily stained kit
- 5) Do not wash light with dark garments
- 6) Follow the recommended washing temperature
- 7) Do not over load the washing machine
- 8) Do not tumble dry hot and NEVER tumble dry waterproof garments
- 9) Never iron printed motifs
