## LOOKING FORWARD TO THE NEW SEASON

2020/21 has been a very strange and challenging year for all of us. First of all, we'd like to send our best wishes to everyone as we all look to transition back into a largely COVID free world.

As a business, we have adapted, made some major efficiency improvements and fully embraced the changes in online behaviour. Significant improvements have been made to our payment and confirmation systems and steps to rebuild our website for the early part of Spring 2022 have already begun. Despite the pandemic, Pendle continues to prosper and we are looking forward to an excellent year providing all our customers with an even better service.

### NEW FOOTBALL KIT

This season's new kit, Sparta (page 20,21) is in a half and half style. It has a striking and sublimated print design to the front and back and comes in a range of 6 colours. We've also added colours to our popular Genoa football kit range, these include Sky/Navy and Yellow/Navy!

### NEW TRAINING WEAR

We've increased our very popular Inter range. We've added a tracksuit in a large range of 8 colours (pages 30,31). The Inter T shirt range has also been increased to include Black/Yellow and Black/Green options (pages 46,47) and black Baselayer bottoms have also been introduced (page 26).

### NEW XXL SIZES

Larger XXL sizes have been added to some ranges. These include the new Inter Tracksuits (pages 30,31), Inter Rain Jackets (pages 42,43) and Inter T Shirts (pages 46,47).

# PENDLE footballs

## THERMO-BONDED FOOTBALLS

All our **Hyper balls** are thermo-bonded meaning that the seams are fused together using high tension machine stitching and heat bonded sealed seams.
